ABOUT THE TRANSFORMING ASSESSMENT DEBATES

New! Transforming Assessment Debates: In a fast-paced, 60-minute session, speakers will present competing sides of a debate on a hot topic in the testing industry using the following format:

Activity	Time
Session coordinator introduction and housekeeping notes	3 minutes
Moderator: Introduction of format, debate topic with high level background, and initial audience polling	5 minutes
Team A: Opening Presentation	5 minutes
Team B: Opening Presentation	5 minutes
Team A: Rebuttal	5 minutes
Team B: Rebuttal	5 minutes
Moderator Questions (2 per team)	12 minutes
Audience solicited Questions (2 per team)	12 minutes
Team A: Closing	2 minutes
Team B: Closing	2 minutes
Moderator: Audience polling and session conclusion	4 minutes

Each Debate should have one moderator and two to three presenters. Debate on a topic and briefly identify each side of the issue to be debated. Debaters need not actually agree with the side they are presenting but should prepare a well-rounded presentation of the arguments for each side. Moderator monitors timing and manages debate flow, ensuring appropriate time is available for audience engagement and polling. Each Debate **must** include a minimum of two presenters from two different companies or organisations.

E-ATP prefers that all speakers use the conference PowerPoint template provided via e-mail to ensure consistent and professional presentations throughout the conference. The template will be sent to all speakers via email mid-July.
