## Attendee In-Person Frequently Asked Questions

Thank you for registering for the 2022 E-ATP Conference! We have compiled information about the in-person portion of the conference, what to expect, and more. Please review and email [atp@designingevents.com](mailto:atp@designingevents.com) if you have other questions.

### **Where will the in-person portion of the 2022 E-ATP Conference take place?**

The Radisson Blue Edwardian Heathrow is a luxury hotel in west London, England, providing easy access to the London Heathrow Airport. The hotel is decorated in the Edwardian style with Persian rugs, brass-railed staircases, chandeliers, and hand-painted hardwood furnishings. With three restaurants and bars, the Annayu Restaurant, the Steak & Lobster Restaurant, and the Bijou Lounge Bar, there is no need to leave the hotel!

### **Do I need to register for the conference?**

Yes, please register for the in-person portion of the conference [here](#). Registration is required to present at this year's conference.

### **If I am attending the conference in-person but want to take part in a virtual session, will there be a space that I can do so?**

We will not have a separate room available for in-person attendees to join virtual sessions. The hotel has areas around that attendees can use or attendees can utilize their guest room.

### **What platform is being used for the virtual portion of the 2022 Innovations in Testing Conference?**

Swapcard is the main platform for the hybrid event, allowing you to access the conference program, watch the sessions and ask questions to the presenters, communicate with fellow attendees, view our sponsors, and so much more!

Please Note: Information on how to access the platform and app will be provided closer to the conference.

### **What browser should I use for the virtual portion of the conference?**

If you decide to use the desktop version, we strongly recommend using Google Chrome, Mozilla Firefox, or Safari.

### **Can I use my mobile phone?**

Yes, if you are attending the conference, you can download the app and use your mobile phone to access the conference and participate in the sessions and engage with other attendees.

### **Can I network with attendees via the conference platform?**

Yes, you can engage with speakers, sponsors, and attendees (in-person and virtual) in the conference platform. You will be able to private message, start group chats, engage with all attendees, speakers, and sponsors via the activity feed, and more!

### **How will I be able to network during the conference?**

During the in-person conference, attendees will have the opportunity to network with other attendees, speakers, and sponsors face-to-face. There will be many networking opportunities throughout the conference such as the E-ATP Cocktail Reception with Exhibitors taking place on 11 October 2022 from 5:45 PM – 6:45 PM BST.

While in-person you can network with virtual attendees via the platform along with virtual coffee conversations that provide more engaging opportunities. The platform has features available that allow you to interact with speakers, sponsors, and attendees in many different ways such as the activity feed and private messages.

### **Will the sessions be recorded?**

All the virtual sessions will be recorded and those who attend the in-person portion of the conference will have access to all the virtual session recordings. We will also record the general sessions and make those available post-conference. We will send out emails after the conference with instructions on how to access them.

### **What time zone is the conference taking place?**

The conference program listed [here](#) is listed in BST. The conference app will be listed in BST but you can update the desktop version to your time zone.

### **Are the sessions live?**

The 2022 E-ATP Conference is a hybrid event which means there will be in-person sessions, as well as virtual sessions. All in-person sessions will be live. During the conference, the in-person general session will be live-broadcasted to the virtual attendees. In-person attendees will also be able to watch virtual sessions via the conference platform. All virtual sessions will also be live and viewable on the conference platform.

### **What do I do if I have concerns or questions during the conference?**

If you have concerns/questions during the conference, please call our support line at +1- 410-596-9775 or email [atp@designingevents.com](mailto:atp@designingevents.com). We will also have Designing Events staffed and spread out throughout the conference space to help out with issues or problems that may arise.

**If you have any questions, please contact us at [atp@designingevents.com](mailto:atp@designingevents.com).**
